Welcome to the 2011 boating season!

Welcome back! Our annual spring flood has passed without too much interruption and we are now back in the process of getting everyone where they belong – out on the river! Electricity is working on all the docks, but we are still waiting for lower water levels before we can connect the dock water – we will have that done ASAP. The gas dock will open for the season on Saturday the 7th of May with our normal Spring hours: Monday – Friday, 9:00-4:30; Saturday and Sunday, 10:00-6:00.

The marina staff are excited to be back in full swing and are ready to make this a GREAT season of boating for everyone. We will be continuing our Skipper Club promotions again this year – we have some new offerings to help make your boating experience more fun and convenient, so please watch for details in your inbox. Remember, if there is anything you need during the season please let us know – we are here for YOU!

Service Specials in 2011! Watch for money-saving specials on service work we'll be offering throughout the season. You'll hear more about them via email and postings in the kiosks near your gangway.

- **Make us your first choice for service!** We offer outstanding service at a competitive price. Our experienced service staff—Corey, Jim and Tom—are dedicated to meeting your service needs and giving you more time on the water. We have all the latest diagnostic equipment to test your boat's systems, and the experience to make sure things get done right, and ON TIME!
- **Season pumpout passes available!** By popular demand, we are again offering a season pass program for holding tank pumpouts. This pass still costs just \$50 and gives you unlimited pumpouts at the gas dock. Call the office to order one today!
- **Join the Cool Club!** If you want to run your A/C system or humidity reduction system while not present at the marina, this is for you. For \$150 per A/C unit you can run your A/C or dehumidifier when you're away—keeping your boat cool and dry all season. Please call the office to sign up.

On behalf of everyone at Miss Croix Yacht Harbor, welcome back and best wishes for a safe and enjoyable 2011 boating season!

11th Annual Marina Pride Day, May 14, 2011

The Eleventh Annual Marina Pride Day will be held on Saturday, May 14th. Your pride and ambition are needed to help us get the marina ready for another season. General cleanup, tree and shrub trimming, and flower planting are among the jobs we'll be undertaking again this year. We'll begin at about 9 a.m. and knock off around noon or so. All members and renters are welcome to help pitch in, clean up and make Miss Croix shine. Refreshments will be provided. See you there!

Communications for our boaters

E-mail—As you've likely noticed, we're relying on email to reduce postage costs and get this information to you as quickly as possible. Please make sure your email address is current. Please help spread the word to those not on the list. To get your email address on the distribution list, simply send a request to misscroixyachtharbor@hotmail.com.

Kiosks—We often post information in the kiosks around the marina, so please make it a point to check them when you arrive. As always, they are yours to use for your marina announcements as well.

Website—If you haven't already checked it out, take a look at our website at www.misscroixyachtharbor.com. This is a great place for information about who we are and what we offer. Please refer anyone interested in our marina and the services we offer to our website.

2011-2012 Marina Directors

Marina directors for the 2011-2012 season include:

Tom Adams - President, Slip 11, "Galaxsea"

Scott Meehan - Vice-president, Slip 116, "Foolishness"

Ron Petri - Secretary, Slip 113, "Livin'"

Mike Jorgensen - Treasurer, Slip 50, "J Team IV"

Karl Drotning, Slip 79

Pat Garin, Slip 33

Ron Jensen, Slip #17, "Permanent Wave"

Walt Opheim, Slip 85, "Let's Rhumba"

Board of Directors meetings are usually held every second Thursday of the month, at 6 p.m., in the marina office. All members and renters are welcome to attend. [Contact Us](#) to verify meeting dates and times.
